

**American Veterinary Medical History Society**  
**SMITHCORS STUDENT VETERINARY HISTORY ESSAY CONTEST**

**Essay Titles by SUBJECT**  
**1992 - 2023**

Rev. 2023 June 30

**Content Categories:** n=534

Ancient Medicine  
 Animals, Animals in Research, Animal Welfare  
 Culture & Society Aspects  
 Diseases, Infections, Parasites, Abnormalities  
 Education, Teaching & Veterinary Colleges  
 Equipment & Instruments  
 Military Medicine & Service  
 People -- Veterinarians and Scientists  
 (See also Women Veterinarians)  
 Profession, Ethics and Related Issues  
 Specialization & Specialty Fields  
 Public Health, Sanitation, Toxicology  
 Treatment, Materia Medica, Procedures  
 Veterinary Practices, Hospitals, Zoological Gardens  
 Women Veterinarians

NOTE: Each essay appears under *one* category only.

## **Ancient Medicine**

Ancient Veterinary Medicine for the Sport of Kings: Falconers and Their Birds.  
 [2020]

Animals and the Veterinarian in Ancient Rome.  
 [1997-SECOND PLACE]

The Beginnings of Greek Veterinary Medicine in the Fourth Century BC.  
 [2014]

Equine Veterinary Medicine from Ancient Times through the Greco-Roman Period.  
 [2011-FOURTH PLACE]

Moving Through Millenia: Veterinarians and Veterinary Medicine in Mesopotamia.  
 [2020]

Mummies and Maladies: Veterinary Medicine in Ancient Egypt  
 [2018]

Open and Say 'Neigh': Origins of Veterinary Medicine in Ancient Greece.  
 [2020]

The Rise of the *Veterinarius*: Animal Medicine in the Shifting Roman Psyche.  
 [2021]

The Role of Animals in Ancient Roman Society.  
[2014]

Running Ancient Rome: The Horse and the Veterinarian.  
[2006]

Unsung Healers: A Glimpse of the Impact and Lives of the Early Byzantine Veterinarians.  
[2006]

Views on Food Animal Welfare in Ancient Greece.  
[2017]

Veterinary Medicine in Ancient Rome.  
[1999]

## **Animals, Animals in Research, Animal Welfare**

Analysis on the Use of Animals in Research in Veterinary Medicine from Ethical and Philosophical Points of View.  
[2003]

Analysis on the Use of Animals in Research in Veterinary Medicine from Ethical and Philosophical Points of View.  
[2004]

Animal Astronautics: A History of Animal Space Travel.  
[2013]

Animal Research from Antiquity to the 19<sup>th</sup> Century: Society vs. Science.  
[2010]

Animal Worship to Animal Sacrifice: A Step Closer to God.  
[2013]

Animals and the Dawn of Civilization.  
[2015]

Animals in Court: The Early Days of Veterinary Forensics.  
[2019 – FIRST PLACE (TIE)]

Animals in Space: Reaching for the Stars.  
[2011 - FIRST PLACE]

Animals in the “Wild Blue Yonder”: An Historical Retrospective of Animals in Space.  
[2000]

Fish Through the Scales of Time: Diving into the Origins of Aquaculture  
[bushmeat – FOURTH PLACE (tie)]

Attitudes toward Animal Welfare: From Early Religious Usage Guidelines to Quantifiable Stress Indicators.  
[2011]

Barnum and Bailey’s Is Bust: A Brief History of Veterinarians, Ethics, and the Circus.

[2021]

Biomedical Guardians.

[2018]

A Brief History of American Horse Racing and Its Legends of the 20<sup>th</sup> Century.

[2020]

A Brief History of American Horse Racing and Its Legends of the 20<sup>th</sup> Century.

A Brief History of Red Wolf Conservation.

[2018]

Bronc or Bust: A Brief History of the Horse in the American West

[2022]

The California Condor: Life on the Edge.

[2010]

Cat Memes—From Ancient Egypt to the Internet Age: A Timeless Love for Cats.

[2023]

Cheetahs: The Untold Story.

[2014]

*Cryptoprocta ferox* – Disappearing in the Fossa of Time.

[2018]

Dan Patch: The History of the Horse No One Could Catch.

[2017]

The Development and Utilization of the Swine Model in Comparative Medicine.

[1997]

The Development of Enrichment and Its Importance in Animal Research.

[2017 - THIRD PLACE]

Dissecting the History of Vivisection

[2022]

The Domestication – or Lack Thereof – The Modern House Cat

[2022]

An Enormous Influence: How Elephants Became Warriors.

[2015]

The Evolution of Animal Welfare.

[2020]

Evolving Roles of Animals and Veterinarians from the Past and Into the Future.

[2007]

Evolving Trends in the Control of Feral Cat Populations.

[2010]

Fido We Have a Problem: Veterinarians in Space.

[2017]

For the Love of Bastet: A History of Cats in Ancient Egypt.  
[2020 – SECOND PRIZE]

From Early Man to Man o' War: A History of the Cribbing Horse.  
[2009 – FIRST PLACE]

The Guinea Pig: Endearing, Enduring or Both?  
[2016 - THIRD PLACE]

From Wild Wolf to Domestic Pooch: The Dog's Journey to Become Man's Best Friend.  
[2012]

Helping Paws throughout History: The Evolution of the Service Dog.  
[2014 – FOURTH PLACE]

Heritage Livestock Breeds: Inheriting Our Future Food Security.  
[2015]

A Historical Overview of the Federal Protections on Wildlife in the United States.  
[2021]

A Historical Survey of Vivisection from Antiquity to the Present.  
[1995 - THIRD PLACE]

The History and Domestication of the Dog: A Mutualistic Coevolutionary Perspective.  
[2013]

The History of Beef Cattle in the United States  
[2022]

The History of Dogs and Veterinary Medicine.  
[2001]

History of the Golden Retriever.  
[2023]

History of Greyhound Racing: From Racetrack to Rescued  
[2023]

History of Pedigree Dogs and Related Health Issues  
[2018]

The History of the Guinea Pig (*Cavia porcellus*) in Society and Veterinary Medicine.  
[1997 - THIRD PLACE (TIE)]

The History of the Wildlife Conservation Society and One Health.  
[2023]

Horse Slaughter: Why the Debate?  
[2012]

Improving Animal Welfare from Afar: Advancing the Science and Technology of Tranquilizing in the 20th Century.  
[2019, 2020]

Laboratory Animal Welfare in the United States: 1945-1985.  
[2013]

Livestock Guarding Dogs: A Return to Relevance.  
[2015]

Man's Best Friend, Bird Dogs and Veterinary Medicine.  
[2023]

Man's Best Friend: The Role of the Canine through the Years.  
[2015, 2016]

Mice: The Mightiest of All Laboratory Animals.  
[2019]

Mongolia: The Bond that Built a Nation.  
[2020]

The Nature of the Dog.  
[2006]

A New Meaning to the Phrase: "As Strong as an Ox."  
[2020]

Newfoundland and Labrador: A History of Helping Others.  
[2021]

Not All Who Wander Are Lost: The Fascinating History of Animal Navigation.  
[2023]

Of Morals and Men: A Review of Food Animal Welfare Based on Kantian Ethics.  
[2016]

Out of the Ice Age and into the Ice Box: Przewalski's Horses Emerge From Frost a Second Time  
[2022 – FIRST PLACE]

Panda Politics: History of Panda Diplomacy.  
[2016]

Pepper.  
[2011]

The Pet Boom: The Causes and Effects Associated with the Increase in Dog and Cat Ownership  
in the United States of America during the 20<sup>th</sup> Century.  
[2012]

Physiologic Adaptations and Injuries of Racing Greyhounds  
[2018]

Pocket Change: The Dynamic History of the Exotic Companion Mammal.  
[2019]

PresentDay Exotic Animal Ownership: Civil Serpents or Selfishly Owned Sugar Gliders.  
[2019]

Protection of Animals through Modern Legislation.  
[2002 - FIRST PLACE]

A Race to the Future: Dan Patch, M.W. Savage, Industrialization and the Veterinarian.  
[2020]

The Rhesus Monkey and Its Contribution to Science.  
[2014]

The Silent Decline of the Platypus.  
[2023]

So Long and Thanks for All the Fish.  
[2015]

A Story of Mice and Men: The Evolution of Animal Experiments.  
[2017 – FOURTH PLACE]

The Three Rs and the Men that Made Them  
[2018]

Transition to Confinement Practices in American Swine Production: Sustainable Agriculture or  
Factory Farming?  
[2018]

Tracing the Origins and Evolution of the Domestic Dog.  
[2013]

The Un-BEE-lievable History of Beekeeping.  
[2020 – FIRST PRIZE]

Who Let the Dogs Out of Orbit?: A Brief History of the First Dog in Space  
[2018 – THIRD PLACE]

Why We Love Dogs: The Special Use of the Canine Model in Cancer Research.  
[2008]

Youatt and the Contemporary Reader: An Analysis of *The Obligation and Extent of Humanity to  
Brutes*.  
[2016]

You've Got Mail: The Unsung History of Homing Pigeons.  
[2013]

## **Cultural & Society**

The American Humane Association.  
[1998]

Artists and Anatomists in Renaissance Europe.  
[1994 - FIRST PLACE]

A Change in People's Perspectives: A Painful Journey.  
[2010]

A Change in Times.  
[2004]

The Child's Vet: Veterinarians in Children's Media in 20th Century America  
[2018 – SECOND PLACE]

Copyright: Purpose and Application.  
[2000]

The Covert Arsenal of Biological Agents throughout History.  
[2012 - FIRST PLACE]

The Emergence of Animal Rights in Veterinary Medicine.  
[2008 - SECOND PLACE (tie)]

The Evolution and Development of Veterinary Medicine in Louisiana.  
[2001]

An Evolutionary Conflict: Darwin vs. Agassiz.  
[2020]

He Makes Me Feel Like I Belong – An Ethnographical and Historical Study of Homeless People  
and Companion Animals  
[2018]

The Healing Touch: An In-Depth Study of the Benefits of Using Animals in Therapeutic Settings.  
[2015]

The History of Mandatory Spay and Neuter Legislation in the United States.  
[2014]

A History of Progress: Veterinary Medicine in Meeker County, Minnesota from 1855 – 2002.  
[2002]

A History of Healing Bond: Therapy Animals and the Human-Animal Bond.  
[2015]

Lifestyles of the Furry and Famous: A Historical Analysis of the Care and Advancement of Animal  
Actors.  
[2013 – THIRD PLACE]

No Animals Were Harmed: An Evolution of the Treatment of Animals in Film and Television.  
[2015]

Norman Rockwell's Illustrations of Pet Care and Veterinary Medicine.  
[1995- SECOND PLACE]

Of Witches and Beasts.  
[2016]

Past, Present, and Future Responses by the Veterinary Medical Profession to Socioeconomic  
Change.  
[2007-SECOND PLACE]

The Pet Insurance Industry: A Near Destruction Overshadowed by a Bright Future.

[2011]

The Portrayal of Veterinary Medicine in Films.  
[1999-SECOND PLACE]

The Priorities of Millennial Pet Owners and Their Impact on Veterinary Medicine.  
[2021]

Recognition of the Human-Companion Animal Bond.  
[2004]

Romanticizing the Beast: The Effect of Poetry on the Human-Animal Bond in the Romantic Era.  
[2014]

Romanticizing the Beast: The Effect of Poetry on the Huma-Animal Bond in the Romantic Era.  
[2015]

Ruminations on the History of Cattle, Climate Change, and Carbon Emissions.  
[2016]

Science and Art Collide: A Historical Portrayal of the Human-Animal Relationship and the Emergence of Veterinary Medicine in Art  
[2022]

Sketches of the Past: The Multidisciplinary Origins of Veterinary Illustration.  
[2011]

The 'Stream' of Information.  
[2001]

Veterinary Medicine: Immortalized in Art, Literature and Song.  
[2002]

Veterinary Medicine and the American Civil War.  
[2001-SECOND PLACE]

Veterinary Medicine in Art: How Visual Art Can Enhance the Animal Human Connection.  
[2019]

Working Like a Dog: A Brief History of the Service Animal.  
[2023]

## **Diseases, Infections, Parasites, Abnormalities**

Angry Cows and Itchy Sheep: How Prion Diseases Have Made Their Mark on the Animal Kingdom.  
[2015, 2016]

Anthrax- The Genesis of Veterinary Medicine.  
[2002]

Aphtae Epizooticae: A Timeless World-Wide Threat to Humans and Animals Alike.  
[2011]

- The Attempt to Eradicate Bovine Tuberculosis in the United States: Too Good to be True?  
[2012]
- Battling Equine Piroplasmiasis in the United States: Engaging in a Struggle Thought to Have Been Won.  
[2011]
- “The Big Bernhard Bang Theory”: Discovering Brucellosis.  
[2017]
- Bloodletting, Holy Oats, and Weasel Skin: The Barbaric History of Laminitis.  
[2021]
- A Brief History of Rabies: Diagnosis and Treatment from Early Mesopotamia to the 21st Century.  
[2012]
- Bovine Atypical Interstitial Pneumonia: The Slowly Unfolding Mystery.  
[2011]
- Bovine Leukemia.  
[1999]
- The Road to Eradication of Bovine Spongiform Encephalopathy in the United States  
[2022]
- Brisket Disease in Cattle: A Brief Overview and History.  
[2009 – THIRD PLACE]
- Brucellosis: A Brief History.  
[2001]
- Canine Blastomycosis: A Canine’s Journey of Sniffing the Ground to Fighting for Life.  
[2012]
- Canine Parvovirus: From Not There to Everywhere: An Historical Look at the Emergence, Media Coverage, and Vaccine Development of Canine Parvovirus.  
[2005 - FIRST PLACE]
- Cape Buffalo in South Africa: A Refuge for Bovine Tuberculosis.  
[2011]
- The Changing Epidemiology of Trichinella: From Pigs to Wildlife.  
[2010]
- Christmas Parrots and the Gift of Zoonosis: A History of Psittacosis.  
[2016]
- Chronic Wasting Disease.  
[2015]
- Control of Equine Infectious Anemia—History and Controversy.  
[2010]
- The Controversies Surrounding the Discovery of the Feline Leukemia Virus and How Cat Ladies Paved the Way.  
[2020]

The Coughing Cow Wars.  
[2012]

A Devastating Disease and the Battle against It: The History of Equine Infectious Anemia and the Coggins Test.  
[2011]

Developments in the Understanding and Treatment of Feline Infectious Peritonitis, 1963-2021  
[2022 – THIRD PLACE]

The Disease That Fooled Veterinarians: Brief History of Canine Distemper  
[2022]

Discerning the Incidence, Treatment, Management and Prevention of Bovine Mastitis on Public Health: An Overview.  
[2006]

Eat Your Heart Out: Diet-associated Dilated Cardiomyopathy in Dogs.  
[2020]

Ebola.  
[2011]

*Eimeria Auburnensis*: Luther Duncan, John H. Bankhead, Auburn University College of Veterinary Medicine and the Naming of a Parasite.  
[2015]

The Emergence and Eradication of Contagious Bovine Pleuropneumonia.  
[2017]

Equine Infectious Anemia.  
[2011]

Equine Infectious Anemia and the Coggins Test.  
[2011]

The Eradication of Tuberculosis with Veterinarians on the Front Line: The Cow Wars.  
[2011]

The Evolution of Colic Diagnosis and Treatment from 1851 to Present Day  
[2018]

Exotic Newcastle Disease: Lessons to the Learned.  
[2012]

A Fatal Madness: The History of Rabies  
[2018]

Feline Hyperthyroidism: A Historical Approach.  
[1995]

The First Outbreak of Canine Parvovirus: How the Virus and Disease Have Changed Over Time.  
[2012]

Foot and Mouth Disease: A Story of Resilience.

[2009 – SECOND PLACE]

From Discovery to Now: Tracing the History of *Toxoplasma gondii* and Charting New Frontiers.  
[2023]

From Scottish Equines to Midwestern Canines—A Century of Dysautonomia.  
[2011]

From Scrapie to Prions: Veterinarians Pave the Way.  
[2000 - FIRST PLACE]

Glanders: A History  
[2022 – FOURTH PLACE (tie)]

The Great Cattle Plague and Dr. John Gamgee: The Need for Historical Perspective on Trade  
and Public Health Policy.  
[2015 – SECOND PLACE (tie)]

The History of Anthrax: From Work Hazard to Deadly Bioterrorism.  
[2017]

A History of Blackleg and Its Early Vaccines.  
[2015]

History of Ebola and the Role of Veterinarians  
[2018 – Fourth PLACE]

History of Equine Strangles: Detection, Treatment and Prevention.  
[2023]

History of Exotic Newcastle Disease Eradication Efforts in the United States.  
[2011]

History of Four Animal Afflictions.  
[1997]

The History of Rabies in Wildlife.  
[2010]

The History of Rabies Vaccination and Prevention Methods.  
[2013]

History of the Rabies Virus: Identification, Treatment, and Prevention.  
[2010]

History of Texas Cattle Fever.  
[2002]

The History of Zoonosis in Minnesota: Rabies through the Years.  
[2006]

Hog Cholera: A Bittersweet Victory.  
[2013]

Hog Cholera: A Historical Review.  
[1997 - THIRD PLACE (TIE)]

How the Treatment and Understanding of the Canine Distemper Virus has Changed Over Time  
[2018]

Hypocalcemia in Dairy Cows: Historical Perspectives on Treatment and Prophylaxis.  
[1996]

Hyperkalemic Periodic Paralysis: An Acceptable Disease?  
[2013]

Hyperkalemia Periodic Paralysis: An Impressive Disease.  
[2010]

In All But Name: The Animal Side of Human Immunodeficiency Virus.  
[2020]

Influenza: Devastating the World in 1918.  
[2008]

The Ins and Outs of Heartworms: The Advancement of Heartworm Diagnosis and Treatment in Dogs.  
[2016]

Johne's Disease: An Overview  
[2023]

The Journey of Our Understanding of Rabies.  
[2011]

The Left-to-Right Shunting PDA and Available Treatment Options.  
[2009]

Mad Cows & vCJD: A Tale of Two Epidemics.  
[2010 - SECOND PLACE]

Madness and Hysteria: Rabies Prevention and Control in the United States Prior to 1948.  
[2003]

Madness, Mystery, and Monsters—An Early History of Rabies.  
[2017 – FIRST PLACE]

Malignant Hyperthermia: A Collaborative Approach with a Serendipitous Discovery.  
[2017]

Milk Sickness: A History of the Development of *Eupatorium rugosum*, White Snakeroot Toxicity.  
[2005]

No More “Monkeying” Around: History of the Monkeypox Virus and Hopes for the Future.  
[2010]

Notable Animal Epidemics in History.  
[2021]

One Health, Bushmeat, and Illegal Wildlife Trafficking: An Overview  
[2022 – HONORABLE MENTION]

One Hundred Years of Colic: The Diagnosis and Treatment of Equine Gastrointestinal Disease in the Twentieth Century.  
[2002 - SECOND PLACE]

Out With a “Bang”: The Story of *Brucella abortus* and Its Relevance in the United States.  
[2000]

Poultry in Motion: A History of Avian Influenza.  
[2012]

A Profile of Laminitis for the Horse Owner.  
[2002]

Prototypes of von Willebrand’s Disease: The Road from the Aland Islands to Today’s Doberman Pinscher.  
[2006]

Pseudorabies: A Real Success.  
[2006]

Rabies: A Historical Look at One of the World’s Deadliest Viruses.  
[2014]

Rabies Treatments and Preventives through the Ages.  
[1996 - SECOND PLACE]

The Recurring Bacteria.  
[2017]

A Review of *Salmonella* and Its Implications on Public Health Policy.  
[2016]

Rinderpest.  
[2014]

Rinderpest: An Overview and History.  
[2014]

Rinderpest and the Development of the Field of Veterinary Medicine.  
[2009]

Rinderpest (Cattle-Plague).  
[2013]

Rinderpest: One Virus’s Impact on Veterinary History.  
[2000 - THIRD PLACE]

The Rinderpest Outbreak of 1897 in Namibia: Responses and Reverberations.  
[2020]

Scrapie and the Development of Prion Research.  
[2011]

Scrapie: A Brief History of the First Prion Disease.  
[2021 – SECOND PLACE]

Scrapie: The First Major Prion Disease  
[2018]

Scratches, Grease Heel, and Grapes: Or, Chronic Pastern Dermatitis Then and Now.  
[2008 - FIRST PLACE]

Shining Light on Foreign Animal Diseases: The Story of Plum Island.  
[2007 - THIRD PLACE]

Sore to Death: A Glimpse at Equine Laminitis and Laminitis Treatment through History.  
[2019]

The Spread, Symptoms, and Treatment of Rabies in Eighteenth and Nineteenth Century  
England.  
[2000]

A Strange Bellwether: The Mysterious Incident of 6,000 Sheep in the Desert.  
[2020 – FOURTH PRIZE]

The Struggle with Strangles.  
[2010]

Taking the Smart Risk: How Illegal Treatments for a Deadly Disease [Feline Infectious peritonitis]  
Were Born out of Our Live for Cats.  
[2022]

The Taming of the Screw(worm): A History of the Sterile Insect.  
[2023 – FIRST PLACE]

Texas Cattle Fever.  
[2000]

Texas Fever – Cattle Tick Connection: A Veterinary Victory.  
[1995]

*Toxoplasma gondii*: The Persistent Protozoa  
[2022]

Trichomoniasis in Beef Cattle in the Southwest United States  
[2022]

*Trypanosoma brucei brucei*: The Parasite that Plaqued a Continent.  
[2019 – THIRD PLACE]

Uncloaking Cognitive Decline: The Emergence of Canine Cognitive Dysfunction in Veterinary  
Medicine and Its Implications for Understanding Alzheimer's Diseases.  
[2014 – FIRST PLACE]

Veterinarians vs. Texas Cattle Fever.  
[2001]

West Nile Virus: A Progression from Unknown to Endemic.  
[2010 - THIRD PLACE]

West of West Nile: A Virus Conquers the New World.  
[2015 – FIRST PLACE]

What Did the BSE Outbreak in Great Britain Teach Us About Handling Newly Emerging Diseases?

[2010]

The Worm Conqueror.

[2014 – HONORABLE MENTION]

## **Education, Teaching & Veterinary Colleges**

Academic Trailblazers: The Failures and Triumphs of Opening Oklahoma's Veterinary School

[2022]

The Atlantic Veterinary College: Where Technology Meets the Sea.

[1999]

The Battle for a Vet School in Minnesota.

[2002 - THIRD PLACE]

The Birth of Texas A & M's College of Veterinary Medicine.

[1997]

Celebrate Diversity: Perspectives from a Historic African-American Veterinary Institution.

[2007]

A Climate of Change: Cornell College of Veterinary Medicine.

[2002]

The Early Years of Veterinary Medicine in Virginia Agricultural and Mechanical College: 1872 – 1900.

[1999]

The Emergence of Shelter Medicine in Veterinary Education: From Nonexistent to Necessary.

[2011 - SECOND PLACE]

From Big to Little and Little to Big: The Early History of the *Guide to the Dissection of the Dog* and *Miller's Anatomy of the Dog*.

[2013 – SECOND PLACE]

The Great Influence of United States to China on Veterinary Medical Education in Modern and Contemporary Era.

[2015]

The History and Development of Terminal Surgery in Veterinary School in America.

[2015]

Independents' Days: Independent Colleges in the Foundation of Veterinary Education in the United States.

[2003 - FIRST PLACE]

Kansas State University College of Veterinary Medicine: A Brief History.

[1997]

On Formalizing Veterinary Technician Education: "A Noble & Necessary Movement."

[2013 – FIRST PLACE]

A Retrospective of Veterinary Medicine at Oklahoma State University.

[1998 - THIRD PLACE (TIE)]

South Carolina's Veterinary School—What Went Wrong?

[2011 - THIRD PLACE]

Tuskegee School of Veterinary Medicine.

[2005]

## **Equipment & Instruments**

The Development and Many Applications of Ultrasonography in Bovine Veterinary Medicine.

[2013]

Development of the High-Speed Treadmill as an Equine Research and Conditioning Tool.

[1995]

Historical Background of the Progresses that led to the Development of Techniques to Measure Gas Production.

[1995]

History of Three-Dimensional Printing in Veterinary Medicine

[2023]

History of Ultrasound.

[2012]

....I am a Suture.

[1998]

In One Ear and Out the Other: A Historical Development of the Stethoscope.

[2013]

Making the Cut – A Review of Surgical “Blades” Used by Veterinarians Throughout History.

[2013]

The Thermometer: History and Application in Veterinary Medicine.

[1993 - First PLACE]

Veterinary Anatomical Models: A Surgical Tool as Essential as the Scalpel.

[2013]

## **Military Medicine & Service**

A Brief History of the Roles of Veterinarians in the Army: Fighting for Food and the Four-Legged.

[2016]

The Civil War Through a Stethoscope: The Role of Veterinarians in the Civil War.

[2020]

Coming Full Circle—A History of the 168<sup>th</sup> Medical Detachment (VS).  
[1999 - THIRD PLACE (TIE)]

The Dickin Medal: For Gallantry or Devotion.  
[2014]

The Dogs of War: History of the U.S. Military Dog.  
[2012 - THIRD PLACE]

The Final Charge – The History of Horses in World War II.  
[2018 – HONORABLE MENTION]

The Forgotten Soldiers: The Legacy of the Horse in the U.S. Civil War.  
[2014]

From World War I to Operation Enduring Freedom: A Century of War and the Military Working Dog.  
[2012]

Furry Valor: The Tactical Dogs of World War I and II.  
[2015 – FOURTH PLACE]

The Hardest Working Soldier: History of Military Dogs  
[2023]

History of the United States Army Veterinary Corps  
[2023]

How World War II Changed the Face of Veterinary Medicine.  
[2009]

Killer Dolphins: The History of the U.S. Navy's Marine Mammal Program.  
[2014]

Merrill's Marauders: The Brave Men and Mules Who Found Victory Behind Enemy Lines  
[2023 – THIRD PLACE (TIE)]

My Kingdom for a Horse: The Evolution of Military Veterinarians in the United States.  
[2010]

Serving Hand and Paw: A History of Dogs Used in United States Warfare.  
[2014]

Veterinarians at War: A Brief History of Veterinary Medicine in WWII.  
[2011]

War Horse: Progression of the Military Horse throughout History.  
[2014]

Wings, Paws, and Hooves of Valor: The Animal Heroes of WWI.  
[2019]

Who Ever Thought Flipper Was a Navy Seal?: A Look at the History of Military Dolphins.  
[2016]

World War I and the Formation of the US Army Veterinary Corps.  
[2003]

## **People -- Veterinarians and Scientists (See also Women Veterinarians)**

All Creatures Great and Small: The Influence of James Herriot on Humans and Animals Alike.  
[2016]

All Things Told and Remembered (James Alfred Wight).  
[1997]

Becoming Mr. Turkey: The Career of Benjamin S. Pomeroy, DVM.  
[2023 – FOURTH PLACE]

Brigadier General Wayne O. Kester: The Man, The Myth, and The Veterinarian.  
[2004]

Colonel Howard S. Garner, DVM—The Extraordinary Accomplishments of an “Ordinary Veterinarian”.  
[2000]

The Contributions of C.D. McGilvray to the Canadian Veterinary Profession.  
[1994-THIRD PLACE]

Cooper Curtice: Father of Tick Eradication.  
[2003]

Daniel E. Salmon: How Political Expedience Discredited Meat Inspection’s Greatest Ally.
